4/14-4/18 No School—
Spring Break

May

- 5/1 Field Trip—
Sheep to Shawl
at Brookside Museum

June

- 6/12 Graduation

Circle Lessons

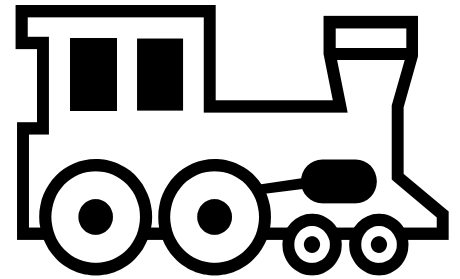

Our circle time theme for March is *Things That Take Us Places*, so we will be doing a variety of activities about types of transportation, traffic signs, and safety rules. On different days we will become, make, or play with trains, cars, planes, rockets, bikes, and boats. As we do these activities we will be introducing the letters *R, S, and T*. We will also be learning the number 8 and 9.

Show and tell for this month will be on Friday, March 21st. For this show and tell we will have a transportation theme. As

usual, have your child put their show and tell item in a bag with their name on it. When they arrive at school, the children should put the bag into our show and tell basket.

March 27th is Transportation Day where the gym gets turned into Kidsville for a fun event.

On April 2nd we will have our Teddy Bear Day. Children should bring their favorite teddy bear in to school with them that

day. The teddy bears will accompany the children during all of their activities, and for snack we will have teddy bear picnics in the classrooms.

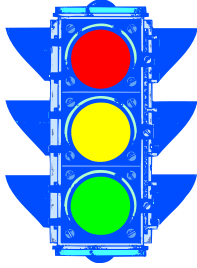

We will also talk about the coming of spring and be looking for signs of its arrival.

Bible Story Time

In Bible story time Mrs. Waugaman will be telling more stories of Jesus such as The Prodigal Son, the Good Shepherd, Lazarus, Mary and Martha, and building on the rock.

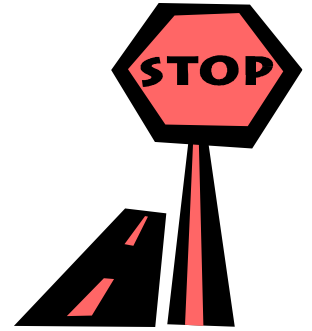

2025 Fall Registration

We still have some openings for the 2025-2026 school year. If you are interested in registering a child, or know someone who might be interested in our 2-year-old, 3-year-old, or 4-year-old programs for next year, applications are available from a teacher or on our website www.egcchurch.org/preschool. There is an Open House scheduled for March 11, 4-6pm or we can schedule a visit during preschool hours for anyone interested.

Getting ready for Kindergarten

We have been hard at work, evaluating the children to measure the progress they have made so far this year. Children progress in different areas at different rates. These evaluations are to give you an idea of what we see as you go through the Kindergarten registration process. Later this month we will be sending home the results of those evaluations. If the results are not what you were expecting, feel free to discuss them with one of the teachers. Many children are very different in school than they are at home. If you have any questions we will be glad to answer them.

Field Trips

We have some field trips scheduled. Dates for trips are on the front of this newsletter. You will be getting sign-up sheets for each trip. The forms will come home about two weeks before the trip. Fill out the permission slips letting us know if your child is coming and if you are coming as well. If you cannot attend, your child still can. They can ride with a teacher. You would bring your child and their car seat to school and then meet us back at school. If the trip has an admission fee, you pay that to us when you turn your form in.

Our field trip to the firehouse allows for siblings to join. Please indicate that on the field trip form if you are bringing any extra children. We ask that you please **not** bring siblings to Sheep to Shawl in May. The rooms at Brookside are small and it gets quite crowded in there.

East Glenville Community Church Activities

Roller Skating Party

Sunday, March 2 from 5-7pm at Rollerama in Schenectady. \$12 per skater at the door which includes skate rental. (Skate mates available to rent for \$5) Please RSVP to Susan Williams children@egcchurch.org

Fellowship Programs

Every Wednesday night, the church hosts a fellowship dinner for \$5/person at 5:45pm. Please sign up in the church office by Tuesday at noon if you are interested in attending. Starting at 6:30, there is Bible studies for teens, men, and women. There is also a children's choir called Praise Gang for children age 4-5th grade. Contact the church office if you would like more information.
